Introduction

This booklet contains information about your Group Benefits. Please keep it in a safe place. It is intended to summarize the principal features of your plan. All rights to benefits are governed by the Group Contract/Policy.

The Group Policy contains a provision removing or restricting the right of the Member to designate persons to whom or for whose benefit insurance money is to be payable.

The Group Contract does not permit a Member or Dependent to designate a personal representative or a beneficiary to receive benefits, except for Life benefits.

Defined terms are capitalized (e.g. Dependent). Pacific Blue Cross (PBC) and Blue Cross Life Insurance Company of Canada (Blue Cross Life) are referred to as “we”, “us”, or “our” in this booklet. We will refer to you, the employee/Member, as “you” or “your” in this booklet.

Pacific Blue Cross, the registered trade-name of PBC Health Benefits Society, is an independent licensee of the Canadian Association of Blue Cross Plans.

Coverage is provided through:

We will not be liable or responsible for errors or omissions, which occur when; our booklet is altered in any way. A booklet issued to or held by a Member who, for any reason, is not entitled to insurance under the Group Contract/Policy, is not valid.
- 2) Only the Member and Dependent(s) are entitled to the benefits of this Contract/Policy. A Member's coverage may be suspended immediately, without notice, if that Member or a Member's Dependent assists an ineligible person to obtain, or attempt to obtain, benefits to which they are not entitled. The persons involved must repay any amounts obtained in this manner to us. Any other fraudulent action by a Member or Dependent to obtain or attempt to obtain benefits will have similar consequences.
- 3) Use of an ID card by a person who is not entitled to coverage may result in prosecution of that person.
- 4) The terms of the Group Contract/Policy govern if they conflict with the information in a booklet.
- 5) Upon request, and at no charge to the Member, we will provide the Member with one copy of:

- 7) A Member's access to the documents identified in clause 5 is subject to the *Personal Information Protection Act* and to the *Insurance Act* and their Regulations.

Integration with Government Plans

Extended health care benefits are intended to supplement and not overlap benefits under Government plans such as the Medical Services Plan and Fair PharmaCare Program of British Columbia. You are required, as a condition of coverage, to take all reasonable steps to qualify and obtain the fullest extent of coverage, benefits, contribution, or reimbursement available under all applicable Government plans. We will also make payment only where permitted by provincial/territorial legislation or other applicable law.

Effective Date of Coverage and Enrolment

Coverage effective is as determined by the BC Regional Council of Carpenters.

Late Applicants

If you did not apply during the Enrolment grace period but request coverage later (for yourself and/or your Dependents), ask your Plan Administrator to explain the requirements for late enrolment in your Group Plan. Note: Different benefits may have different requirements – evidence of insurability or retroactive premium payment. In some instances, coverage may be denied.

Beneficiary

- 1) To the extent permitted by law, you have the right to name a personal representative or beneficiary for Life and Accidental Death and Dismemberment benefits or change this personal representative or beneficiary, by written request in a form satisfactory to us. If your designated personal representative or beneficiary does not survive you, any Benefit amount due will be payable to your estate.

- 2) For all other benefits this plan does not permit you or your Dependents to designate a personal representative or a beneficiary to receive benefits.

Identification (ID) Cards

We will issue identification (ID) cards for distribution by your Plan Administrator.

You may be asked to substantiate that an individual you claim as a Dependent meets the definition of Dependent for your group.

Claims

- 1) All claims must be submitted to us in English.
- 2) We pay eligible claims when we receive all the required information within the required **time limits**. We encourage you to become familiar with the time periods allowed for claiming benefits. Under the Claims sections, we fully describe the claiming deadlines for each benefit. No payment will be made if we receive your claim after the time limits described in this booklet.
- 3) We may reject your claim if sufficient information is not provided to enable a full assessment of the claim, or if an attempt is made, except through unintentional error, to make an excessive claim, or if a claim is made for a person who is not entitled, or if any Group Contract/Policy exclusion applies.
- 4) The necessary claim forms are available from your Plan Administrator or on our website at www.pac.bluecross.ca/member.
- 5) The exchange rate on foreign currency is payable at the rate quoted by selected Canadian financial institutions for the date on which the expense was paid. Fluctuations in exchange rates are not our responsibility.

Duplicate Coverage

If you and your Spouse are members of the BC Regional Council of Carpenters, please check with your Plan Administrator to see if Duplicate coverage is allowed for dental and extended health care benefits.

If you and your Spouse work for different employers and you are both enrolled for similar benefits, Duplicate coverage is allowed.

If you are eligible for Duplicate coverage, you and your family should discuss both plans (and what portion of the benefits you pay) to determine whether it is to your advantage to enrol under more than one plan.

Your Plan Administrator will advise you if you are eligible to waive certain benefits under this group plan.

Coordination of Benefits

If Duplicate coverage is allowed, we pay claims based on the rules of the Canadian Life and Health Insurance Association guidelines. They are:

- 1) The Member is always the primary claimant. The Spouse is always the secondary claimant.
- 2) Dependent children are always covered primarily under the parent who has the earliest birthdate in the year (month and day).
- 3) In situations of separation or divorce, the following order applies:
 - a) the plan of the parent with custody of the child
 - b) the plan of the Spouse of the parent with custody of the child
 - c) the plan of the parent not having custody of the child
 - d) the plan of the Spouse of the parent in c) above.
- 4) Total reimbursement shall never exceed 100% of the Eligible expenses.

General Exclusions

- 1) We will not be liable for any portion of an expense for which you or your Dependent is entitled to reimbursement:
 - a) under any other group or individual benefit plan or insurance policy, or
 - b) due to the legal liability of any other party.
- 2) In no event will benefits be payable for expenses resulting directly or indirectly from, or in any manner or degree associated with, any of the following:
 - a) war, whether declared or undeclared, or any act of war, or participation in a riot, insurrection, or civil commotion
 - b) suicide or any self-inflicted injury, whether intentional or unintentional, sustained while travelling outside the normal province/territory of residence
 - c) active duty in the military forces of any nation or international organization, or in any civilian noncombatant unit which serves with such forces in combat
 - d) a direct or indirect attempt at, or commission of, an indictable offense under the Criminal Code of Canada or similar law of any other country
 - e) false pretences or fraudulent misrepresentation
 - f) any injury, illness, or condition for which care is provided or may be provided or available without cost by public authorities or by a tax-supported agency, including preventive treatment and services available under any Workers' Compensation Act or similar plan.

Legal Action

Every action or proceeding against us for the recovery of benefits payable under the Contract/Policy is absolutely barred unless commenced within the time set out in the *Insurance Act*.

Termination of Coverage

Generally, your coverage (and any Dependent coverage) terminates if you cease to be eligible due to change of group, leave of absence, age limitation or retirement, if you terminate membership with the United Brotherhood of Carpenters, or if the group plan terminates, etc. For further details on termination of coverage, please have your Plan Administrator refer to the Group Contract/Policy.

Right of Recovery

You are financially responsible for any claims paid by us on your or your Dependent's behalf after coverage is terminated from your employer's benefit plan. You agree to reimburse us for these payments upon receipt of our invoice.

Conversion to an Individual Plan

Should your group coverage terminate for any reason, you may purchase an individual plan from Pacific Blue Cross if you live in British Columbia, or an individual plan offered by your local Blue Cross organization if you live elsewhere in Canada.

To convert coverage you must ensure that your application and full payment is received by us or Blue Cross within 60 days of the date your group plan terminates. To be eligible to convert, you must have had coverage under a group plan with the same benefits for at least 6 months. Coverage will become effective immediately after your group coverage terminates.

If you qualify for one of our individual plans under the conversion option, we will waive the Pre-existing condition contained in the individual plan.

Pre-existing condition

means any illness or condition for which you receive medical attention, consultation, diagnosis, or treatment in the 12 month period before you apply for the individual plan.

Call our Individual Products Department at 604 419-2000 for an application form.

If you are converting to an individual plan offered by Blue Cross, contact your local Blue Cross organization for full details before your group coverage terminates.

Individual Travel Benefits

Individual coverage is also available from us. Call 604 419-2000 or 1 877 PAC-BLUE (722-2583) outside the Lower Mainland for information.

Your Pacific Blue Cross Member Profile is an online service that offers convenient and secure access to your benefit information 24 hours a day. Once logged in you will be able to make and track online claims, get information on benefit coverage and access downloadable claim forms. To login, visit: www.pac.bluecross.ca/member/.

Extended Health Care

The Extended Health Care (EHC) plan is designed to help you pay for specified services and supplies incurred by you and your Dependents, when not provided under a Government health plan or by a tax-supported agency.

All limits included in the benefit descriptions are **eligible** unless specifically shown as **payable**.

To determine the benefit amount, PBC assesses the claim as follows:

- 1) calculate the total eligible price for the benefit by applying either
 - a) the Customary charge, drug plan design, or any applicable Fee guide price, or
 - b) if none of the above apply, the submitted amount
- 2) apply any payment limits that are indicated as *eligible*
- 3) subtract the Deductible and copay, when applicable; then
- 4) apply the reimbursement percentage; then
- 5) apply any payment limits that are indicated as *payable*
- 6) apply the EHC plan maximum.

To determine the benefit amount **payable**, PBC assesses the claim as follows:

- calculate the total Eligible expense
- subtract the Deductible, when applicable
- apply the reimbursement percentage
- apply the payment limits
- apply the EHC plan maximum.

Failure to submit a claim within the 90 day limit will not invalidate the claim if it is submitted as soon as reasonably possible. Short Term Disability

Definitions

Day surgery

means admission to a public general Hospital for a surgical procedure where the patient is released from the Hospital the same day. Note: diagnostic procedures do not qualify as a surgical procedure.

Hospitalization

means admission to a public general Hospital for at least 1 overnight stay as an in-patient.

Recurrent disability

means a disability that is related to or due to the same cause(s) as a prior disability for which you received benefit payments.

Benefit

We will pay short term disability (STD) benefits when you are disabled and prevented from working as a result of an accident or sickness for which Workers' Compensation benefits are not payable.

The elimination period is a period of time, when you are continuously disabled, which must be completed before your claim for benefits will be considered. Benefits commence on the day after the elimination period expires or on the first day you were seen and treated by a Physician or chiropractor – whichever is later – and will be paid only during periods of disability when you are under their regular care and

following the treatment prescribed. Certification of disability beyond a 6 week period must be made by a Physician.

The weekly Benefit amount, the elimination period, and the maximum benefit period are shown in the Schedule of Benefits.

Recurrent Disability

A Recurrent disability will be considered part of the prior disability if, after receiving STD benefits, you returned to work on a full-time basis and were able to perform all the essential duties of your occupation for less than 2 weeks. Once you have resumed work on a full-time basis and have been at work for 2 consecutive weeks, any subsequent injury or sickness will be considered a new disability.

Graduated Return to Work

If you return to work on a gradual rehabilitative basis you will have your benefit reduced by 50% of any income earned from the rehabilitative employment. The combined total of your benefit plus the rehabilitative income will not exceed 100% of your earnings prior to the date your disability started.

Benefits will continue for a maximum of one period of disability as outlined under *Recurrent Disability*, whether due to one or more illnesses.

In consultation with you, your union, and with your Physician's agreement, we will determine your eligibility for this program and its duration.

Extended Benefit

If you are disabled when this insurance terminates, your STD benefits will continue as though your insurance had not terminated, up to the maximum benefit period, provided you remain disabled.

Coordination with other Income Sources

Your STD payment will be coordinated with benefits received from other sources so that the total benefits received, for the same disability, will not exceed your normal take home pay on the date you became disabled.

Third Party Liability

Benefits will be paid for disabilities due to an accident in which a third party is liable. However, you must reimburse us when you receive payment from the third party.

Are Benefits Taxable?

Benefits are taxable if your employer contributes to the cost of your STD Plan. Benefits are nontaxable if you pay the entire cost.

Termination of Benefit

Your benefit payments will cease on the earliest date one or more of the following occurs:

- 1) you are no longer receiving continuing medical care and treatment from your Physician
